

Ken Duncan's home on the Clayton Road drew a large crowd of people from many points in Canada to the first official Dunn family reunion. Although there have been

more informal get-togethers over the years, this was the first, big organized reunion.

Family and friends of the late John Wilson Armstrong and the late Annie Hudson met at the Cedar Hill RA Center for their 10th family reunion on Sunday.

Everyone enjoyed a good time getting together and getting caught up on family news.
