

A spectacular fire, of unknown origin, completely destroyed this large barn and an attached shed on the farm of David Butler, RR 2 Carleton Place, Monday evening. Flames were discovered shortly after 5 pm but by the time firefighters from the Beckwith Township Department at nearby Blacks Corners had responded, the entire structure was in flames. Beckwith firefighters were aided by the Almonte

Ramsay Fire Department in quelling the flames. Firefighters remained at the scene overnight Monday to prevent the fire from re-igniting. (Photo by Jeff Maguire)
