

Silver says...

By Charlie Kitts

Surprise, Terry! ...last Saturday's reunion dinner featured a surprise roast of long-time coach Terry Currie, a well-deserved tribute...Terry's many years of service and dedication have helped to turn out some outstanding players...the hundreds of "Thunderbolt" grades have also been coached by Rick Lotan, a former player, Tom Lavoie, Brian Sonnenburg, Wayne Giardino and a number of Rider friends, Chris Spratt, and, of course, one of the co-organizers of the event Don Maynard...June Dalgity has been planning the event for months and her many hours of work certainly resulted in a well-attended and enjoyed event...good work, June!...to all the players, managers, coaches that have not seen her name in print June will be organizing another event like this one in forty year. We'll try to get your name in then.

What's in a name?...there it is again...did you read Lois Tuffin's front page article about the repairs on Main Street?...it might surprise some people to find out Main Street is not the Main street!...If you come into town from Ottawa you are on Ottawa Street which then becomes Main Street and after crossing Johnny Lyons bridge this same street becomes Almonte Street and takes you up Bay Hill to MacDonald's egg grading station — oh yes, that's changed also, it's now PetroCan...here's some help, the back bridge is on Main Street, the front bridge is not on Front Street, it's on Bridge Street. Front Street is really Mill Street which is the main street!...I knew I could help!

What a turkey!...actually it was a turkey and a chicken...I won a chicken at a get-together at Denzil Ferguson's in Pakenham a couple of weeks ago...it was delivered last week by his son Collins and became the guest of honour for Thanksgiving...speaking of turkeys, highlights of the dinner included two former Thunderbolts Deb Barr and brother-in-law Len Sonnenburg trying to outdo each other with football stories...does anybody remember when Front Street (remember that's Mill Street, our main street) and the Market were the scenes of the annual turkey fair where farmers brought hundreds of turkeys and people came from miles to buy?...I remember my dad getting a Saturday morning call from a banker friend in Ottawa asking him to pick out three big birds and keep them until he got up later in the day. It seems that a stop at the local bar prevented the friend from getting out to Almonte so dad, faced with three large, fresh turkeys and no refrigeration, simply tagged them and sent them off on the evening train to the city...does anybody remember when trains stopped in Almonte?

Did you know...that Thanksgiving wasn't formalized until 1957...the first Thanksgiving day in Ontario was celebrated on June 18, 1816 and, the first every Canadian Thanksgiving was celebrated by the people of Halifax in 1763?

Butch and Sundance were curlers?...well they did have that '70s theme song about "raindrops"...the continuing saga of curling rink blues has prompted one local sportsman to comment that repair costs will only be "a drop in the bucket"...prospective curler should slide on down as plans are now being formulated...if you can't hack the sport, bar facilities will be expanded this year...the new executive promises to sweep away all of last year's problems...tired of spending too much time in the house? Get out and curl!

Almonte Junior Thunderbolt Andy O'Keefe powers his way down field during Friday's 14-0 win over the Perth Blue Devils. Almonte's record now stands at one and one.

Rough Riders to hold 'Valley Day' at Sunday's game against Ticats

Special package includes ticket to game and Winter Fair

The Ottawa Rough Riders Football Club has designated Sunday 'Valley Day' and is making it easier for their guests of honor to attend the showdown at Lansdowne between the Riders and Hamilton Tiger-Cats.

The team has joined forces with the Ottawa Winter Fair to offer a special package designed exclusively for residents of the Valley.

The \$30 deal includes a Rough Rider game ticket in the south side upper deck, admission to the fair, bus transportation to and from the game, as well as a pre-game pancake breakfast in the stadium's east endzone.

Itinerary
After the buses arrive at Lansdowne at 10 a.m., morning events include celebrity donkey races (10 a.m.), the

Acres Family Singers (10:30 a.m.), the pancake breakfast (11 a.m.), and RCMP Musical Ride (12 noon). After the cattle shows at 12:30, the football game begins at 1 p.m. followed at 3:30 p.m. by the horse pulling event. Buses would then take off from Lansdowne Park at 5 p.m.

For more information about the event, call the Rough Riders office at 1-563-4551.

Devon Mortimer went down on the wet grass during Thursday's messy junior soccer game against Perth. Almonte won 3-1, while the seniors tied at 3-all.
