On Tuesday, June 24 at 7 p.m., the members of the Eastern Area held a reception for visitors from Associated Women of the World. This was held in the North Lanark Agriculture Hall, Almonte.

Also in attendance were

the President, President Elect, and three Past Presidents for the Federated Women's Institutes of Canada as well as some of the officers for Eastern Area. We had speeches from different people in attendance. There was entertainment such as songs sung by Christene Reaburn and

Nyamme Samuels. A dance was put on by the girls from Port Elmsley W.I.

A very dainty lunch was served and the guest mingled with the W.I. members. There were more than 200 people in attendance. The evening closed with the singing of 'O Canada.'

A new direction for local United Way Brenda Hurtle new executive director

There are a number of changes that are taking place in the Lanark County United Way.

Elizabeth Clarke has resigned as executive director. Elizabeth has helped the United Way in many aspects: when they were essentially being run out of a briefcase she gave the organization a home; and when they had no personnel she provided them with capable office and bookkeeping staff.

Elizabeth has made a great contribution to the United Way in Lanark County.

With an eye to the future the board of directors has taken what it thinks are two bold but necessary steps.

United Way has decided to take control of its own destiny by renting its own office and hiring its own staff. The board has decided to establish its centre of operations in Carleton Place. Office space has been rented at the Olde Barracks Community Development Corporation and the board looks forward to using their facilities for board and agency meetings as well.

The board of directors has hired Brenda Hurtle as its new executive director.

tor. Brenda has worked with the United Way of Lanark County since January 1995 where she developed a good relationship with the member agencies of the United Way.

She is well-known to the people of Lanark County whom she serves as a member of Pakenham Township Council as well as Lanark County council.

Effective July 2, the United Way took up residence in its new office. There will be no change of address at this time but the new phone numbers are as follows:

Telephone: 613-253-9074

Fax: 613-253-9075

Modem: 613-253-9077

The United Way believes it is moving in the right direction in meeting future needs.

In many ways your United Way is growing up and assuming more control over its operations. The result will be better communication and an increased local presence.

The board is aware that new opportunities bring with them new challenges. Members know they can count on the support of the people of Lanark County in this new endeavour.

Haldane Merrithew Awarded Military Cross on March 28, 1953

2nd Lieut. H. O. Merrithew led a rescue party that included Cpl. J. P. R. Pierce, Pte. A. Dion, and Cpl. J. Leblanc. A Royal Canadian Regiment patrol had inadvertently stumbled into one of their own minefields. Two men were killed and three others were wounded. Maj. A. Letourneay had already organized an escort patrol to stay outside the minefield and guard the approaches.

Photo donated by Jim Merrithew

Lieut. Merrithew organized the work, deployed the guard, encouraged the wounded and to drown out the noise of the operation, had artillery fire sent down. Two men were on the enemy's side of the field, so Lieut. Merrithew and his men went through a gap and worked in from the Chinese side. Within 1-1/4 hours, Lieut. Merrithew's group had removed the casualties and re-armed the field. The Queen had been graciously pleased to approve the award to Lieut. H. O. Merrithew for Gallant and Distinguished Service in the field.
