It's a bit of a juggling act but an interception no less as Brian Hickey of Cameron House picks off this pass in a game in Almonte's Touch Football League played in Gemmill Park Sunday morning. Hickey's team narrowly defeated the high school team.

Fastball "Shootout" set

Try this on for size. The Perth "Shootout" is a fastpitch softball tournament with no home team, no beer tent and the money raised is given to charitable causes.

How can this be? The 8th annual Shootout is simply a softball tournament with a difference. World class teams from across North America travelling long distances to hook up against quality competition and walk away with the lion's share of the \$12,000 prize.

Tampa Bay Smokers featuring All-World Darren Zack match up against Green Bay All Car, The Farm Tavern out of Madison, Wisc., Decatur, Ill. Pride and Ballston Lake N.Y. Heflin Builders. From Canada's west coast Victoria Legends plan on making some noise together

with Owen Sound Tiremen, Waterloo Twins and Kemptville Thunder.

Not only are the teams travelling long distance, so too are the fans. Inquiries have been received from Arizona, Illinois, Pennsylvania, West Virginia and New York State. Also several calls have come in from western Canada and of course all across Ontario and Quebec.

The 1997 Perth "Shootout" offers match-ups likely to be seen once in a lifetime and fans don't want to miss the opportunity at Conlon Farm Park July 18-20.

Advance sale tournament passes are available throughout the Ottawa Valley at selected Home Hardware Stores. Call 1-613-267-2049 for further information.

Almonte's own Alamos Minor Tykes practice soccer Tuesday evening in Gemmill Park while friends and family watch.

HONG KONG RISING

The History of a Remarkable Place

by Peter Pigott

At midnight on 30 June 1997, Britain will transfer Hong Kong, one of the world's most successful economies, to China, the largest remaining Marxist economy. This is without precedent in world history.

To understand the significance of this event, it is necessary to look into the forces that, beginning in 1841, turned this barren, unwanted island colony into an irritating "pimple on the backside of China," to quote Chairman Mao.

Hong Kong Rising is a glimpse of the rebellions, typhoons plague, and wars which have stirred the mixture of races and cultures in this very complicated city-state.
