Midget Kings defeat Thunder

On November 22, the Midget B Kings traveled to the cold confines of the Pakenham rink to play guest to the Almonte Team. As with all outings between these two teams the Kings produced results slowly. In the first period, the Kings moved the puck well and all three lines had excellent scoring chances. The information of some new forward lines seemed to put additional zip and motivation into the team.

With the short bench of Almonte and the renewed hustle of the team, the Kings took control as the game went along. The Kings first goal came at the 12-minute mark of the second period by Mike Mulvihill on very pretty passing play from Ryan Richards and Jon Breuton. The first CP goal was followed up by goals from Doug Duff and Colin Long (finally Colin, what a relief). Assists going to Jordan Purcell and Bob Hewitt.

Colin Long banged home his second of the night on a rebound mid way in the third after both Casey Civaglia and Jordan Purcell had their good scoring attempts stopped by the Almonte goaltender.

Almonte scored on a picture perfect 3-1 play late in the game when a CP defender got caught at the blue line.

Bob Hewitt scored CP's fourth and last goal after receiving a nice pass from captain Civaglia. Hewitt burst in on the wing past the defender and fired a hard low shot to the stick side of the goaltender.
